Information And General Rules For Exhibitors And Patrons

Exhibitors and patrons are sincerely requested to make constructive criticisms and offer helpful suggestions toward bettering any part or department of this, YOUR STATE FAIR.

Please report any discourtesies by gatemen, concessionaires, showmen, or others connected with the Fair. If, for any reason, there is a misunderstanding about admission at gates or elsewhere, please pay the admission price asked, take a receipt for same, and come direct to the Manager's office. Please do not block traffic and delay others by prolonged arguments with ticket-sellers, gatemen and ticket-takers who are working on strict orders from the management and are not allowed to vary from them.

Concessions and attractions are granted privileges on the grounds to supply the necessary wants, comforts, conveniences and pleasures of the patrons. The management will not accept or knowingly allow the continuance of any concession, show or other attraction of a questionable nature or a demoralizing tendency, nor will any concession be permitted where the business is conducted in other than a legitimate and legal manner.

Drunkenness, quarreling, or the use of profane or obscene language will not be allowed on the grounds. No begging will be permitted.

No peddling, hawking or selling of any kind will be allowed in the buildings or on the grounds except by special license obtained from the Manager.

All dining halls, lunch stands, refreshment booths, and other places dispensing food and beverage must be substantial in structure and neat in appearance. They must meet all health regulations and must sell only good, wholesome food and pure honest goods at reasonable prices which must be approved by the Fair management and displayed in a prominent place.

Parties owning buildings upon the State Fair grounds must notify the manager thirty (30) days prior to the opening of the Fair as to whether they desire to occupy the same or not, and if so, make arrangements with the superintendent of the department for such occupancy. Failure to comply with the provisions of this rule will cause the forfeiture of the use of such building or buildings to the Fair management.

Any party or parties, firm or corporation owning buildings or material upon the State Fair grounds without lease, or whose lease has expired, who shall fail to remove same upon order of the manager within the time specified, shall forfeit all claim thereto, and the Fair management may take charge of and remove same, charging expense attached thereto to the owner or owners thereof, which expense or claim must be paid before material is released to the owner.

The management of the State Fair reserves the right to amend, add to and interpret the foregoing and following Rules and Regulations, and to arbitrarily settle and determine all questions and differences in regard thereto, or otherwise arising out of, connected with, or incident to the Fair.

In the event of conflict between the General Rules and the special rules which appear as headnotes of the various divisions and departments of the Fair, the latter will take precedence.

Disregard of any rule, or misrepresentation on the part of the exhibitor, concessionaire or patrons will forfeit all premiums won, privileges granted, fees paid, and rights to further participation in the Fair.

SERVICES

The Southern Bell Telephone Company will maintain complete service and toll stations at convenient points on the Fairgrounds.

An Information Bureau and office for reporting and recovery of lost and found articles will be maintained on the State Fairgrounds. This service is free and will be cheerfully given. Please do not ask for the use of the Public Address System to locate "lost" persons except small children and in emergencies, or where school bus drivers and other group leaders desire to announce departure times.

An office for the use and convenience of representatives of the Press, and Radio and Television Stations, will be maintained with telephones, typewriters, and other facilities. It will be a pleasure to supply authentic information of news value about the Fair, including lists of premium awards and photographs. Arrangements may be made in advance for special Press, Radio and Television coverage of the Fair by competent trained personnel.

The American Red Cross will maintain an emergency hospital and first aid station at the *Lounge*, with trained attendants in charge at all times.

Adequate toilet facilities for men and women are maintained throughout the grounds. ATTENDANTS ARE NOT ALLOWED TO CHARGE FOR USE OF THESE FACILITIES.

In order for the State Fair to maintain a complete file of pictures for the use of Press and Television services, exhibitors and patrons are requested to cooperate with the Official Photographer of the Fair. Exhibitors are under no obligation to purchase pictures, but may arrange directly with the photographer for this service if they so desire.

Decoration and sign painting service, at nominal charges, will be available to exhibitors and can be arranged through the Information Desk at the Manager's office.

A feed and forage concession will be operated for livestock exhibitors. Grain, hay, straw and other supplies will be available at prevailing prices. The Fair will furnish free the original bedding for each stall and pen, but exhibitors are required to care for and feed their own animals and they must keep stall and pens clean and well bedded thereafter.

The State Fair will employ police, guards and traffic directors, and will use diligence to promote safety and protection of patrons, and their exhibits and property on the Fairgrounds. But, under no circumstances will the Fair or any of its officers and employees be responsible for loss or damage to persons and their property (including entries, exhibits, automobiles in parking lots, and articles left in cars) because of accidents, theft, fire, the elements, or other conditions.

Articles and animals shipped or mailed to the Fair for exhibit will be accepted only if ALL CHARGES ARE PREPAID. Be sure packages mailed

or shipped are properly addressed in accordance with instructions for shipment listed later in this section under "Exhibits and Exhibitors."

INCOMING MAIL and parcels addressed to exhibitors, patrons, concessionaires and others connected with or attending the Fair should be called for at the Manager's office. No responsibility can be assumed for delivery. Messages telephoned, telegraphed or delivered to the Manager's office for persons exhibiting at, attending or connected in any way with the Fair, will be accepted for delivery only at the convenience of the Office Staff, and as time permits. No responsibility will be assumed for delay or non-delivery of such messages.

OUTGOING MAIL may be dispatched and stamps may be purchased at the STATE FAIR sub-station operated by the Raleigh Post Office located at the entrance of the Red Cross LOUNGE BUILDING in the "WORLD'S LARGEST MAIL BOX". The mail service window is open daily during Fair Week from 11:00 A.M. until 5:00 P.M.

Passes are issued only to exhibitors who must constantly attend their exhibits, or as a courtesy for some service rendered for which the State Fair is unable to pay. To these the Fair management is grateful and ask that the use of such passes be confined to the person to whom they are issued.

Sufficient electric light and power service will be furnished by the Fair to properly illuminate and service the exhibition buildings and grounds. Exhibitors and concessionaries requiring individual electric light and power service in their booths and stands may obtain same upon written application and payment when service is installed and connected. **ONLY THE OFFICIAL STATE FAIR ELECTRICIANS MAY MAKE INSTALLATIONS AND CONNECTIONS.**

Where outside wiring is necessary, a fixed charge of \$5.00 will be made for each 50 feet or fraction thereof for making connection.

If located inside of building where wiring exists, any additional labor or material must be paid for by the applicant.

No service will be given for less than minimum charge of \$5.00.

The charge for electric current for power and lights will be as follows: 6¢ per kilowatt hour. Motors will be rated on amperage per kilowatt hour.

The current is alternating single phase, or 3-phase, 60 cycles, 120-220 volts.

Electric stoves, grills, percolators, waffle irons, and all electrical equipment will be charged for at the regular rate. These must not be connected until Fair Electrician has granted permission.

Trucks and other vehicles to service exhibits and concession stands will be permitted on the grounds **ONLY** between the hours of midnight and 10:00 a.m., and between 5:00 p.m. and 6:00 p.m. daily. Permits for entry of service trucks and vehicles must be obtained in advance of the opening of the Fair from the Manager's office.

Additional information to that contained in this publication, and interpretation of any of the rules and regulations of the Fair may be obtained by writing or communicating with: **MANAGER, N. C. STATE FAIR, P. O. BOX 5565, RALEIGH, N. C. (Telephone: 832-7549).**

Poultry, Pigeons and Rabbits Division—October 2, 1966, at 6:00 p.m.

Certain poultry classes are open to exhibitors of Florida, Georgia, Maryland, South Carolina, Tennessee and Virginia, and other states, if space allows, as well as North Carolina. In all other divisions and departments competition is **LIMITED TO RESIDENTS OF NORTH CAROLINA. NO DEPARTMENT SUPERINTENDENT OR DIRECTOR, OR MEMBERS OF THEIR IMMEDIATE FAMILIES MAY ENTER EXHIBITS IN THEIR RESPECTIVE DEPARTMENTS.**

All entries (with exceptions noted in the Livestock Division for group classes) must be made in the name of the owner, breeder, manufacturer, grower, producer or on whose skill the exhibit represents. A firm, to be entitled to exhibit as such, must have been organized not less than 30 days prior to the closing date for entries, and such firm must have been organized as a bona fide firm for the purpose of producing, or buying and selling the articles or animals it proposes to exhibit in the name of such firm. A firm will be regarded as one exhibitor.

Official printed forms **MUST BE USED** in making applications for entry. One will be found in the back of this book. One side of the form is for Livestock entries **ONLY**; the other side is for entries in all other departments of the Fair. **USE A SEPARATE FORM FOR ENTRIES IN EACH DEPARTMENT.** *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address.

Additional application forms are available upon request to: **MANAGER, N. C. STATE FAIR, P. O. BOX 5565, RALEIGH, N. C.**

Incomplete entry forms will be returned for correction if there is time to do so, but **REMEMBER:** No article or animals will be entitled to exhibit space until proper entry has been made, and no entry will be accepted **after** the closing date listed for the department.

Once an entry is made, it cannot be changed except where it is improperly classed or a mistake has been made in copying the original entry—in which event the changes can be made only with the permission of the Department Superintendent or Director in charge, **AND THEN ONLY IN THE OFFICE OF THE "ENTRY DIRECTOR."** If the records are altered and

do not conform with the information on file in the Entry Department, payment of premiums will be withheld.

No person except personnel of the Entry Department will be allowed to see the entries, or have access to the entry books, until after the awards are made.

The same article or animal cannot be entered for more than one premium number (except as otherwise stated in the Special Department Rules and Regulations). Collections and displays must be made up of specimens other than those entered in single (individual) classes unless otherwise noted.

No entry fees are required in any department, except that livestock, poultry, pigeon, and rabbit exhibitors must include payment of stall, pen and coop fees with their applications for entry. (SEE HEADNOTES OF THESE DEPARTMENTS FOR SCALE OF FEES.)

Application forms for entry should be mailed to: MANAGER, N. C. STATE FAIR, P. O. Box 5565, Raleigh, N. C. After October 3, 1966, the Entry Department will be staffed to receive applications for entry in person.

All Other Divisions and Departments, Saturday, October 15, at 5:00 p.m.

POSITIVELY NO EXHIBITS RELEASED BEFORE SPECIFIED DATE AND TIME.

UNCLAIMED EXHIBITS FROM COMPETITIVE DEPARTMENTS, will be considered abandoned if not called for within one week after the official closing of the Fair, and may be disposed of as the Manager of the Fair sees fit.

Remember! All exhibits must be officially entered in the Fair, on official printed forms provided for that purpose, before the closing date for entries in the department. No article or animal will be entitled to space or considered in the judging until proper entry has been made. Removal of exhibits before the date and time specified above will be cause for forfeit of all premiums won, all fees paid, and the right to further participation in the Fair.

All exhibits will be numbered and recorded in the books of the proper department and class and exhibit tag with corresponding numbers will be issued. This tag must be securely attached to the exhibit and must remain on the exhibit throughout the Fair (except that exhibit tags issued for livestock and poultry may be conspicuously displayed upon the stall, pen or coop). Exhibitors who make their entries well in advance of the opening of the Fair will receive their exhibit tags by mail; otherwise, they should first visit the Entry Department upon their arrival on the Fairgrounds and receive their exhibit tags.

Once the exhibit is numbered and tagged, it should be delivered to the Department Superintendent or Director, who will allocate space and either personally arrange the exhibit in a suitable and attractive display, or direct such action by the exhibitor.

All exhibitors are urged to personally bring their exhibits to the Fair and enjoy the educational and recreational advantages of the annual exposition. However, exhibits may be shipped or mailed to: MANAGER, N. C. STATE FAIR, P. O. BOX 5565, RALEIGH, N. C., and they will be carefully handled, officially entered, tagged, and otherwise treated in the

same manner as previously described. They will be given the same consideration with regard to display and judging as exhibits personally delivered.

All exhibits shipped or mailed **MUST BE PREPAID**. No transportation charges for express, postage, freight or drayage will be paid by the Fair. Shipments should be carefully labeled, accompanied by a bill of lading, and properly identified inside and outside the package as to the department, class and premium number under which they have been previously entered. They should be shipped or mailed at least a week or 10 days prior to the opening of the Fair. The management will not be responsible for delayed shipments which arrive at the Fair too late to be considered in the judging.

All carload shipments by freight, for exhibition purposes, should be billed as follows: **FOR EXHIBIT, N. C. STATE FAIR, CAMP POLK, N. C., c/o S.A.L. RAILWAY**. Exhibits so billed will be delivered to the Fairgrounds without extra switching charges. Attention of exhibitors is called to tariff rules, governing the shipment of certain types of articles for exhibition at expositions and fairs, and providing for free return of such exhibits when accompanied by a certificate from the Manager of the Fair certifying that such shipment was on exhibition and ownership of same has not changed. Intending exhibitors should consult their local freight agent for particulars governing Fair shipments, as some types of exhibit material are not returned free and other conditions enter in if shipment is not returned direct. If your local agent is not able to give you full particulars, write the Manager of the State Fair.

Division Directors and Department Superintendents will have full authority over allocation of space, and will have direct supervision of all exhibits which are considered on exhibition as a part of the Fair's attractions, subject to use as these Directors and Superintendents see fit to add to the educational values of the Fair. Livestock able to be led or driven, or which will follow, must participate in parades and group exhibitions as directed by the Department Superintendent.

All livestock must be cared for by the exhibitor except as noted in the Junior Dairy Cattle and Market Cattle shows. Stalls and pens will be furnished bedding before the Fair, free of charge. Thereafter exhibitors will be required to furnish their own bedding and keep all stalls and pens clean. Feed and straw will be sold on the grounds at prevailing prices.

When exhibit tags are issued by the Entry Department for each article entered, a stub with a duplicate number will be given the exhibitor to serve as his claim check to recover and secure the release of his exhibit. Claim checks should be guarded carefully, since Department Superintendents and Directors are not allowed to release any exhibit without presentation of the exhibit tag stub. If the claim check is lost, such loss should be reported promptly and it will be necessary for the exhibitor to furnish the Director of the Entry Department proof of ownership of the article on exhibit.

Exhibits entered in the premium classes which are not claimed within one week after the close of the Fair will be considered to have been abandoned by the exhibitor and will be disposed of as the Manager of the Fair sees fit. Other exhibits, and materials therein, including concession booths, which are not claimed by the exhibitor or concessionaire within 30 days after the end of the Fair will be considered to have been abandoned and will become the property of the State Fair.

The Fair management reserves the right to reject any exhibit which does not reflect merit and which would not be a credit to both the exhibitor and the Fair. Also, the right is reserved to reject exhibits which are deemed objectionable or unsuitable for exhibition. All entries are accepted conditionally, pending inspection of the article or animal to be exhibited. Any article or animal which proves to be misrepresented or falsely classed will be rejected and the right of the exhibitor to further participation in the Fair will be denied.

Division Directors, Department Superintendents, and/or Judges must report disqualification of entries to the Manager or Assistant Manager of the State Fair immediately after such action is taken. UNDER NO CIRCUMSTANCES WILL JUDGING BE CONSIDERED OFFICIAL AND PREMIUMS PAID IN A CLASS WHERE DISQUALIFICATION IS RECOMMENDED UNTIL APPROVAL OF THE DISQUALIFICATION(S) IS OBTAINED FROM THE FAIR MANAGER OR ASSISTANT MANAGER.

Promiscuous advertising is strictly prohibited. Exhibitors may advertise and distribute literature and free samples from their place of exhibit only, but may not sell any article or animal from their exhibit space without a permit from the manager. The distribution of advertising matter which conflicts in any manner with a concession sold by the Management is prohibited.

Commercial exhibitors and concessionaires are responsible for keeping the space in and around their exhibits, including unused space, aisles and roadways, clean and free of rubbish. An area of 10 feet around each exhibit booth and concession stand must be thoroughly cleaned by the exhibitor or concessionaire at the end of each Fair day. Failure to do so will be cause for cancellation of contract.

No exhibit space assigned may be shared or sub-let without permission of the Fair manager.

Exhibitors and Department Superintendents and Directors may have the exclusive use of the lawn in front of the Educational and Commercial exhibit building for parking until midnight, Sunday, October 9, 1966. Special parking facilities for the Livestock and Poultry Division will be provided at the west end of the Fairgrounds.

JUDGING AND AWARDS

Decision of the judges will be final, and no appeal will be considered except in cases of protest in writing, with strong evidence of fraud or violation of the rules of the Fair. Protests must be filed with the Division Superintendent not later than noon of the day following the award, and must be accompanied by a protest fee of \$5.00 which will be retained by the Fair if the protest is not sustained. The Division Superintendent will appoint a committee to consider the protest and all interested parties will be notified of the time of the hearing and will be given an opportunity to be heard. The rules of the International Association of Fairs and Expositions governing appeals will be those of the North Carolina Fair.

Judges will not award premiums to any article or animal because of its mere presence. It must be individually worthy. It is not the policy of the Fair to encourage indifferent production of any kind, or to distribute premiums equally among exhibitors. No premium will be awarded to any exhibit that does not possess high intrinsic merit.

Unless otherwise specified in the Department Rules and Regulations, NO EXHIBITOR MAY WIN MORE THAN TWO PREMIUMS IN ANY ONE INDIVIDUAL CLASS, AND NOT MORE THAN ONE PREMIUM IN ANY GROUP CLASS.

No exhibitor may accompany judges during their deliberations except such attendants as are necessary to handle and show livestock and other such exhibits. Any exhibitor attempting to interfere with the judges during their adjudications, or who publicly expresses disapproval of the decision of the judges, will be excluded from further competition and any premiums previously won will be forfeited.

Fraud or deception as to breeding, or in any other form, will be exposed and the exhibitor guilty of such violation will be excluded from further participation in the Fair, and all premiums previously won will be forfeited.

Premiums will be paid only on the basis of the records of the judging reports, which will be signed by the judge and by the Department Superin-

tendent or Director. Ribbons will be securely attached to the articles upon which they were awarded, if possible, but the ribbons have no value in the payment of premiums since they may become detached and find their way on to the wrong exhibit.

Entries made in wrong classes may be reclassified by the Department Superintendent, BUT ONLY IF SUCH RECLASSIFICATION IS MADE IN THE OFFICE OF, AND WITH THE APPROVAL OF, THE DIRECTOR OF THE ENTRY DEPARTMENT. Records must be changed when entries are reclassified. If the records are altered and the entry department files are not changed, premiums will be withheld.

Judges, when requested, may give the reasons for their decisions embracing the value and desirable qualities of the exhibits to which they have awarded premiums.

Judges will not award premiums or ribbons to any article or animal that does not qualify for one of the classes in the State Fair Premium List.

Premiums will be paid to winning exhibitors as soon after the awards are made as it is possible to compile and check all reports. Premiums not collected during the Fair will be mailed to the exhibitor at the post office address given on his or her entry form. Errors in premium statements will be corrected until December 1, 1966, after which time the books of 1966 Fair are closed.

The following colors of ribbons will be used to designate awards:

Reserve Champion	Lavender

Second Premium	Red
Third Premium	White
Fourth Premium	Pink
Fifth Premium	Yellow
Sixth Premium	Dark Green
Seventh Premium	Light Green

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address.

Eligibility Requirements

A SAMPLE OF A GIVEN LOT OF SEED WILL BE ACCEPTED FOR JUDGING UNDER ONLY ONE EXHIBITOR'S NAME AND/OR NUMBER. WHERE TWO OR MORE EXHIBITS APPEAR TO BE IDENTICAL, ONLY ONE WILL BE CONSIDERED FOR PRIZES.

AN EXHIBITOR SHALL MAKE ONLY ONE ENTRY UNDER EACH PREMIUM NUMBER (SUB-CLASS).

ALL ENTRIES OF SEED MUST SHOW SATISFACTORY GERMINATION. SUBMIT SAMPLE BY SEPTEMBER 30th, to permit a germination test. Seed must not be treated.

ALL ENTRIES SHALL HAVE BEEN PRODUCED BY THE EXHIBITOR OR HIS FAMILY. MINIMUM QUANTITIES SPECIFIED MUST BE FURNISHED.

Misrepresentations

Obvious misrepresentation or mislabeling of an entry shall be just cause for disregard of such entry prior to the time of judging. Samples of seed will be collected for determination of seed viability and varietal purity.

Misrepresentation by any exhibitor who has previously been cautioned against misrepresentation by the Superintendent or any Director of this department will constitute just cause for disregard of ALL ENTRIES MADE IN THIS DEPARTMENT BY EITHER THE EXHIBITOR OR ANY MEMBERS OF HIS OR HER FAMILY.

No premium will be awarded in any of the classes if, in the opinion of the Judges and Directors, the exhibits are not true to class or are otherwise misrepresented, or are of low quality.

Delivery and Mailing Instructions

If entries are received sufficiently in advance of the Fair to permit mailing, Entry Tags will be forwarded to exhibitors at their home address; otherwise, these Entry Tags should be picked up at the Entry Department immediately upon arrival on the Fairgrounds. An Entry Tag must be attached to each exhibit before it is presented in the Department for display.

Where it is not possible to personally bring the exhibit material to the Fair, shipments should be addressed to: Superintendent, Field Crops Department, N. C. State Fair, P. O. Box 5565, Raleigh, N. C. Each shipment should be plainly labeled on the outside and inside of the package with the exhibitor's name and address, the class and premium number under which entered, and the nature of the contents of the package. REMEMBER! An exhibit must be entered prior to Friday, October 7, 1966, at 6:00 p.m., before it will be accepted for display, and it must be on hand at the Fair before Sunday, October 9, 1966, at 6 p.m., to be considered for judging, except for seed entries, a sample of which must be at Fair on or prior to September 30th for germination test.

Display and Grading Contest

A display of all major standard grades of Flue-cured and Burley tobacco (about 122 samples of Flue-cured and about 104 samples of Burley). This will be one of the most complete displays of the standard grades of tobacco, the leading cash crop of the state, that is available to the public. The object of the exhibit is to improve the understanding of growers regarding the characteristics making up the various groups, quality and colors which constitute the Government grades of tobacco; to encourage a more careful study as to how far the grower should go in sorting the crop for the most satisfaction on the market; to emphasize the importance of taking advantage of grading as an aid in marketing the crops. For example, the support price is based on the grade; therefore, it is important for the grower to sort his crop so that tobacco will earn the highest possible support price.

The N. C. State Fair is offering a further incentive to the public to stop and study this outstanding exhibit by offering substantial prizes for grading a set of samples on display. All individuals or teams of three persons are eligible to compete for the prizes.

Individuals or members of teams who have had training or experience in *commercial* grading are not eligible to participate. (In case of ties, a drawing will be held to determine prize winners).

RELEASE OF EXHIBITS Saturday, October 15, at 5:00 p.m., and **POSITIVELY NOT BEFORE THAT DATE AND TIME.** Exhibits unclaimed by 10:00 p.m. on Saturday, October 15, will be considered abandoned and the Fair will not be responsible for them after that time.

Rules and Regulations

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in EACH CLASS—"1" Fruits and Nuts, "2 and 3" Vegetables, and "4" Plants and Flowers—of this department, and separate forms for entries in each other department of the Fair. *Be sure to fill in the application form completely, accurately and*

legibly. Give your rural route number, post office box number, or city street address.

List the Department Letter ("G" for Horticulture) and the Class Number ("1" for Fruits or Nuts, "2 and 3" for Vegetables, and "4" for Plants or Flowers) for which each entry is made. Also, list the premium number and the description of the article, exactly as shown in the Premium List.

If entries are received sufficiently in advance of the Fair to permit mailing, Entry Tags will be forwarded to exhibitors at their home address. Otherwise, these Entry Tags should be picked up at the Entry Department immediately upon arrival on the Fairgrounds. An Entry Tag must be attached to each exhibit before it is presented in the Department for display.

As far as possible, it is urged that all Horticultural Products be brought in and set up by the exhibitor. Where it is not possible, shipments should be made in time to reach the Fairgrounds no later than Saturday, October 8, and should be addressed to: Superintendent, Horticulture Department, N. C. State Fair, P. O. Box 5565, Raleigh, N. C.

Where it is not possible to personally bring the products to the Fair and arrange them, the Superintendents will be glad to arrange the products in the most attractive manner possible. However, they will not pack box or basket entries for exhibit. Exhibits mailed or shipped to the Fair should be carefully labeled to show the name and address of the exhibitor, and the nature, and class in which entered, of the contents of the package.

The State Fair will furnish PLATES, ONE QUART CONTAINERS, CORRUGATED CARTONS FOR SWEET POTATOES, AND TRAYS for exhibits, but no other containers. The number of specimens for each PLATE display is specified in the premium list. *Standard size tray, 11½ x 18 inches inside measurements, and 3 inches deep, will be used. Exhibitors should make a tray of the required dimensions and pack the exhibit to determine the number of specimens required.* At least one extra specimen for each plate, and three or four extra specimens for each tray, should be brought or shipped to the Fair to allow for possible damage in transit.

To insure uniformity in exhibit material and to facilitate judging, the following sizes for apple varieties will be recognized:

<i>Variety</i>	<i>Diameter</i>
Arkansas	3 to 3½ inches
Bonum	2¾ to 3 inches
Delicious and named bud sports	2¾ to 3¼ inches
Grimes	2¾ to 3¼ inches
Jonathan	2¾ to 3 inches
Golden Delicious	2¾ to 3¼ inches
Rome and named bud sports	3 to 3½ inches
Stayman and named bud sports	3 to 3¾ inches
Winesap	2¾ to 3 inches
York and named bud sports	3¾ to 3¾ inches

Fruits and vegetables to be exhibited in plates and trays should be carefully wrapped and packed for shipment to the Fair. Wrap separately in paper and pack firmly in a box, taking care to avoid bruising. Label each variety plainly and put in dividers to keep varieties separated. Do not use hay, fodder, excelsior or any other dusty packing material.

Quality—Not Quantity

In selecting Horticultural products for exhibit, choose only those specimens that are of uniformly good quality, form and color, true to type, and free from all insect and disease blemishes, and free from cuts and bruises. Premiums offered for the best collection of fruits or vegetables will not be awarded for a mere pile or for the greatest number of varieties, **BUT MAINLY ON THE BASIS OF QUALITY.** Do not knock or shake fruit from the tree, but pick each specimen by hand, taking care not to pull out the stem. Products should be exhibited as nearly as possible in their natural state, and no preference will be given in the judging for highly polished fruits or vegetables.

Entries of Commercial containers of apples and sweet potatoes should be graded to uniform marketable size, high color, smoothness, trueness to type, freedom from cuts and bruises, and free from insect and fungus blemishes. They should be properly packed and faced in standard containers.

Entries of "Collections" and under "Any Other Variety" must be correctly named by the exhibitor. In the nomenclature of fruits, the names adopted by the American Pomological Society shall rule, and no variety will be accepted that has not been admitted to their catalogue, except in the case of seedlings never before exhibited.

Awards and Judging

No awards will be made for unworthy specimens, where quality is lacking, or where any of the Rules and Regulations governing these exhibits are disregarded.

No article entered for competition in any class will be permitted to compete for a premium in any other class. **AN EXHIBITOR CANNOT COMPETE FOR MORE THAN ONE PRIZE IN ANY CLASS.**

No exhibitor will be allowed to discuss exhibits with the judges, or to interfere in any way while the judges are at work.

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

Official printed forms must be used in making applications for entry: One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments of the Fair. *Be sure to fill in the application form completely, accurately and legibly.*

If entries are received sufficiently in advance of the Fair to permit mailing, Entry Tags will be forwarded to exhibitors at their home address. Otherwise, these Entry Tags should be picked up at the Entry Department immediately upon arrival on the Fairgrounds. An Entry Tag must be attached to each exhibit before it is presented in the Department for judging display.

Exhibitors who are unable to personally bring their entries to the Fair may mail or ship them prepaid to: **DIRECTOR, ARTS & CRAFTS DEPARTMENT, N. C. STATE FAIR, P. O. BOX 5565, Raleigh, N. MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken. Display Booths must be reserved on or before Oct. 1. Booths not requested by this date will be assigned by invitation. Booth space will be allocated on basis of show record of applicant.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address.

All honey entered must have been produced during the current season. All comb honey displayed must be protected from honeybees and other insects. Cellophane, glass, or transparent material of some other suitable type is recommended for this purpose.

Live bees and queens must be displayed in observation hives.

All exhibits must be of required color, quality and condition in order to receive premiums and prizes. No premium will be given to any one entry through lack of competition if the entry is of inferior quality.

Exhibitors are urged to personally deliver their exhibits at the Fair, but if this is not possible shipments via parcel post or express, **PREPAID**, will be accepted if addressed to **DIRECTOR, BEES AND HONEY DEPARTMENT, N. C. STATE FAIR, P. O. BOX 5565, RALEIGH, N. RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this Division. BE SURE TO READ THOSE IN THE FRONT OF THIS BOOK. Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this Division.

Entries

MAKE YOUR ENTRIES EARLY! The right is reserved and will be used to reject entries received after all available space is taken. Even though this occurs before specified time for closing of entries.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use a separate form for making entries in each department. *Be sure to fill in the application form completely, accurately and legibly.* Give

your rural route number, post office box number, or city street address.

Indicate on the form the total number of animals you will exhibit, including nurse animals, and the total number of stall spaces (four feet wide) or pens (6 x 8 feet in size) you will require, including those to be used for gear, feed and bedding.

List the class number, as indicated in the premium list, for which each entry is made. *Use a separate line for each animal.* Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes, but it is not necessary to name the animals which will make up your group or herd entries until after the judging of the individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name (or ear tag number) and registry number of each animal entered, its date of birth, its sex, the names (or ear tag numbers) and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the superintendent.

All beef cattle and swine over six months of age and all sheep over three months of age must be registered with their respective breed associations in the name of the bona fide owner, who must have owned the animal at least 30 days prior to the closing date for entries in the department. Also, all dairy cattle exhibitors must show official evidence of ownership of animal prior to showing. (See exceptions to this rule for group classes only in some departments).

Fees

Stall or pen fees are required for all entries in the senior and open classes of the Livestock Division. Entries exclusively in the junior livestock shows are not subject to stall or pen fees, and the first three placed animals in each Junior Show class are eligible to compete in the Senior and Open Shows without payment of any fee.

All applications for stall spaces and pens must be noted on the entry form, AND REMITTANCES FOR SAME MUST ACCOMPANY THE ENTRY APPLICATION FORM. Reservations will not be made unless accompanied by the required fee, and REMEMBER: THE RIGHT IS RESERVED TO REJECT ENTRIES RECEIVED AFTER ALL AVAILABLE SPACE IS TAKEN. ENTRIES WILL BE ACCEPTED IN THE ORDER RECEIVED.

Be sure to indicate on the form the total number of stall spaces or pens you will require, *including those to be used for nurse animals, and for gear, feed and bedding.* Include remittances for these extra stall spaces or pens you will require, as well as for those actually required for the animals you will exhibit in the competitive classes.

Animals duly entered in the show which will be exhibited competitively in the show ring will have priority on stall and pen space; thereafter, should additional space be available, display animals will be assigned stall or pen space.

The following fees will govern:

Cattle Barns, each stall space	\$2.00
Swine Barn, each pen	1.00
Sheep Barn, each pen	1.00

Pony Barns, each stall	2.00
Cattle (pens of 3)	3.00
Cattle (pens of 5)	5.00

Health Regulations

The health regulations of the Veterinary Division of the N. C. Department of Agriculture governing all fairs in North Carolina will be strictly enforced this year. These regulations are as follows:

Dairy Cattle and Beef Cattle

"An official health certificate shall be issued by an accredited veterinarian and approved by the State Veterinarian of the state of origin on all cattle for exhibition purposes. A copy of the approved health certificate shall be forwarded to the State Veterinarian, N. C. Department of Agriculture, Raleigh, N. C., before the arrival of the animals. The health certificate shall state that no animal in the shipment is infected with or has been recently exposed to any infectious or transmissible disease, and shall contain the names and addresses of the consignor and consignee, with an accurate description or identification of each individual animal.

"In addition to the above regulation, the health status of the individuals shipped and the entire herd of origin, shall be as follows:

BRUCELLOSIS OR BANG'S DISEASE—(1) Herds officially certified brucellosis-free or qualified negative herds in modified certified brucellosis areas in which all the animals in the herd over six (6) months of age, except official calfhood vaccinates under thirty (30) months of age, were negative to an official test for brucellosis within twelve (12) months of entry or two (2) official negative brucellosis ring tests within twelve months, and the animals for entry except official calfhood vaccinates twenty-four (24) months of age or under were negative to an official blood test within thirty (30) days of date of entry; provide, official calfhood vaccinates under twenty-four (24) months of age classed as heavy springers or those that have calved shall be blood tested and negative to brucellosis prior to entry.

(2) Herds under Federal-State supervision for the control of brucellosis in which all animals in the herd over six (6) months of age, except official calfhood vaccinates under thirty (30) months of age, were negative to an official blood test within three (3) months of entry and the animals for entry were retested and negative to an official brucellosis test within thirty (30) days of entry—such retests not to be applied in less than thirty (30) or more than ninety (90) days following date of the negative herd test. (This paragraph applies to herds other than brucellosis certified herds that are not located in a modified certified brucellosis area.)

(3) Identified officially calfhood vaccinated cattle showing a blood-serum agglutination titer of 1-50 or less are classified as negative under the State-Federal regulation governing the interpretation of the brucellosis test.

TUBERCULOSIS—Cattle may be exhibited at the North Carolina State Fair provided they are identified as originating in: (a) Tuberculosis-free accredited herds; or (b) qualified herds originating from modified accredited tuberculosis-free areas that have been tested and negative within

twelve (12) months, or (c) individual cattle tuberculin tested and negative within thirty (30) days prior to entry, provided such cattle did not originate from a herd that has been tested and negative within twelve (12) months.

Note: Healthy steers for entry into the State Fair Market Steer Show and sale are not required to be tested.

Swine

All swine exhibited must be accompanied by an official health certificate issued by a qualified veterinarian and approved by the State Veterinarian, certifying that such swine are free from any symptoms of a contagious or infectious disease; that they are from premises where no known contagious or infectious disease of swine exists; and that they have been officially vaccinated against hog cholera as follows:

1. Anti-hog cholera serum or antibody concentrate simultaneously with the recommended dosage of a licensed modified live virus hog cholera vaccine in not less than 21 days or more than 12 months.
2. The recommended dosage of a licensed modified live virus hog cholera vaccine alone in not less than 21 days or more than 12 months.
3. The recommended dosage of a licensed killed virus hog cholera vaccine is not less than 21 days or more than 6 months. This is the only type of vaccine recommended for use in bred sows and gilts. Breeding swine 5 months of age or over are required to be blood tested and negative to brucellosis within 30 days of admission to Fair, provided swine originating from validated brucellosis-free herds need not be tested for brucellosis.

Sheep

"All sheep entered must be in apparently healthy condition. The owner must certify that they are from premises where no known contagious or infectious disease of sheep exists. The right is reserved to reject an entry or to remove same after entered should the State Veterinarian find the animal affected with a communicable or parasitic disease."

Exhibits and Exhibitors

The Fair management will use diligence to insure the safety of livestock entered for exhibition or display, but under no circumstances will it be responsible for loss, injury, theft or damage by fire, lightning, wind, or any other agency, to such livestock on exhibition or display.

All livestock on exhibition must be cared for by the exhibitor (except entires in Junior Dairy Cattle show.) All stalls and pens will be well bedded by the Fair, free of charge. Thereafter, exhibitors will be required to furnish their own bedding. Feed, forage and straw will be on sale at the Fairgrounds at reasonable prices.

The Fair reserves the right to discriminate against both excessive obesity, which cannot be a profitable condition for breeding animals, and excessive leanness, in which condition animals are unfit for exhibition.

No barren animals will be eligible in breeding classes. An affidavit that an animal is a breeder must be furnished on request.

All cattle must be halter-broken. No dairy bull over one year of age will be allowed on the grounds without a ring in his nose and must not be led from his stall except by a staff, rope or chain attached to or leading through the ring. Boars over one year of age must have had their tusks removed.

Exhibitors must keep their animals uncovered between the hours of 9:00 a.m. and 5:00 p.m. each day of the Fair. Premium money will be withheld from exhibitors violating this rule, except in case of sickness of animals or inclement weather, and then only on authorization of the Superintendent.

A great educational feature of the Fair is the exhibitions and parades of approved livestock by breeds and ages. Exhibitors refusing for any cause not meeting with the approval of the management to lead out animals for parade will not only forfeit all premiums won, but will be barred from further participation in the Fair, and will be required to remove their stock from the Fairgrounds within six hours after such refusal, and will forfeit all fees paid.

Misrepresentation as to breeding and irregularity in showing will be exposed and any premium won by such exhibitor will be withheld. Certificates of registration must be shown on demand of the Livestock Superintendent.

Any artificial means of removing or remedying physical defects or conformation in exhibition animals, such as lifting or filling under the skin, will be considered fraud and deception. All animals giving evidence of such treatment will be barred from exhibition at this Fair, and at all Fairs holding membership in the International Association of Fairs and Expositions.

Exhibitors must keep the space in the rear of their stalls or pens, and the alleyways in the exhibition halls, clear and clean. All litter must be thrown where directed by the Superintendent or Directors.

Animals must be transported to and from the Fairgrounds at the expense of the exhibitor. The Fair management will not pay any charges for express, freight or drayage. To avoid switching charges and delay, rail shipments should be billed as follows: "For Exhibit, N. C. State Fair, Camp Polk, N. C. c/o Seaboard Air Line Railroad." Shipments via express or motor transport should be addressed to the exhibitor, or to: Livestock Superintendent, N. C. State Fair, Raleigh, N. C.

Exhibitors are responsible for ascertaining when their stock will be judged. Animals must be in the show ring promptly after being called. Exhibitors failing to comply with this rule may have their animals excluded from competition.

Judges and Awards

NO EXHIBITOR MAY RECEIVE MORE THAN TWO PREMIUM MONEYS IN ANY ONE CLASS. However, ribbons will be awarded exactly as the animals are placed by the judge. EXAMPLE: An exhibitor makes three entries in a class, and his animals place "First," "Second" and "Third." He would receive only the first and second premium moneys, but all three ribbons. Then, the owner of the animal placing "Fourth"

would receive the third-place premium money and the fourth-place ribbon; and so on down the line.

The decision of the judges will be final, and no appeal will be considered except in case of protest. The rules of the International Association of Fairs and Expositions govern appeals at the North Carolina State Fair. Protests must be in writing and filed with the General Livestock Superintendent by noon of the day following the award, accompanied by a protest fee of \$5.00 which will be retained by the Fair if the protest is not sustained by an impartial Protest Committee appointed by the General Livestock Superintendent.

No unworthy animal will be awarded a premium. Where there are fewer animals shown in the class than the number of premiums offered, the judge may, at his discretion, award a prize or prizes of such grade as the animal or animals deserve.

Where there is only one entry in a class, second premium will be awarded unless in the opinion of the judge the animal is sufficiently meritorious as to justify the full award as provided for.

Herdsman's Contests

Special prizes will be awarded in contests for herdsman, shepherds and caretakers of animals in all livestock departments. All herdsman will automatically be considered entrants and no special entry is required.

The contests will start Monday, October 10, at noon and will continue through Saturday, October 15, at 4:00 p.m. at which time the winners will be announced.

The following premiums will be awarded in each livestock department:

<i>First</i>	<i>Second</i>	<i>Third</i>	<i>Fourth</i>	<i>Fifth</i>

RULES AND REGULATIONS

Except in cases of conflict, in which case the following Rules and Regulations will prevail, the General Rules and Regulations of the Livestock Division and the General Rules and Regulations of the Fair, will govern this department. **BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office number, or city street address.

Indicate on the form the total number of animals you will exhibit, including nurse cows, and the total number of stall spaces (four feet wide) you will require, *including those required for gear, feed and bedding.* For entries in the senior classes, payment of \$2.00 fee for each stall space requested must accompany your application. No fee is required for entries exclusively in the Junior Show provided they are tied in the section set aside exclusively for juniors. The first three placed animals in each Junior class are eligible to compete in the Senior Show without payment of a fee.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes, but it is not

necessary to name the animals which make up your group or herd entries until after the judging of the individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name and registry number of each animal entered, its date of birth, its sex, the names and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the Superintendent.

All animals over six months of age must be registered with their respective breed association in the name of the bona fide owner, except that in the "Get-of-Sire" and "Produce of Dam" classes progeny of bull or cow may be shown by one or more exhibitors. Exhibitors in the Junior show must have owned the animal prior to August 1, 1966.

In breeding classes, to be eligible to show, all cows 42 months of age or older must have produced a calf carried to maturity within the last 18 months prior to the opening date of the Fair. Every bull 36 months of age or older must have had dropped to his service during the last 12 months prior to the opening date of the Fair a living calf. In case the exhibitor, upon demand of the superintendent, cannot verify by affidavit or registration certificate the facts of the above requirement, the animal will be excluded from competition.

In making awards in the breeding classes, the judge will lay much stress on the evidence of superior breeding qualities. When animals show evidence of being "overdone" (overloaded with flesh) they will be discriminated against accordingly.

Mail entries, make checks for stall fees payable to, and address requests for additional application forms and further information, to: MANAGER N. C. STATE FAIR, P. O. Box 5565, Raleigh, N. C.

Health Regulations

Health regulations of the Veterinary Division of the N. C. Department of Agriculture will be strictly enforced. BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION" before entering or competing in this department.

Every precaution should be taken on the part of the exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All cars and trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for the transportation of animals are considered "exposed" premises under the health regulations of the Veterinary Division.

MILKING PARLOR

A modern milking parlor with trained operators is available for exhibitors with lactating cows. This facility, initially sponsored and constructed by the North Carolina Purebred Dairy Cattle Association and the N. C. State Fair, is an outstanding facility for presenting to the milk consuming

public the story of the production of clean, wholesome milk. The impressions formed by people are very important in their decisions to drink milk and these impressions are not good when they see cows milked in dirty feed pails in the barn. *Thus, exhibitors are urged and expected to cooperate in using the milking parlor during the fair.* If exhibitor does not use the milking parlor, then cows *must be milked with machines or into pails approved by Wake County Health Department officials.* The parlor will be in operation during the show days so that cows can be milked out after being shown. The net returns from the sale of milk produced in the parlor is used for the N. C. Purebred Dairy Cattle Scholarship in Dairy Husbandry.

R. L. WYNN, Extension Dairy Husbandry Specialist, N. C. State University

Judging Starts: Tuesday, October 11, 1966, at 8:00 a.m., and will be conducted in the following order—Guernsey, Ayrshire and Brown Swiss in A.M.; Holstein and Jersey in P.M.

Except as noted, all of the Rules and Regulations of the Dairy Department, the Livestock Division, and the General Rules and Regulations of the Fair, will prevail in this show. **BE SURE TO READ ALL OF THESE BEFORE ENTERING OR COMPETING IN THE JUNIOR DAIRY CATTLE SHOW. NO EXHIBITOR IN JUNIOR DAIRY SHOW MAY SHOW MORE THAN TWO ANIMALS.**

The Danish system of judging will be used; however, the first three animals in each class will be placed and will be eligible to compete in the senior "Open" show without payment of stall fees. Champions will be chosen in each breed.

Animals over six months of age must be registered with their respective breed associations **IN THE NAME OF THE JUNIOR EXHIBITOR. THE EXHIBITOR MUST HAVE OWNED THE ANIMAL PRIOR TO AUGUST 1, 1966. DATE OF OWNERSHIP WILL BE THE DATE OF TRANSFER ON THE REGISTRATION CERTIFICATE. REGISTRATION PAPERS MUST BE PRESENTED.**

Health regulations, as described under the General Livestock Rules and Regulations, will be strictly enforced. **HEALTH PAPERS MUST BE SHOWN.**

No entry or stall fees will be charged for entries exclusively in the junior show, **PROVIDED THE ANIMALS ARE TIED IN THE SECTION OF THE EXHIBIT BARN SET ASIDE FOR JUNIORS.** Animals tied elsewhere, including those tied with herds entered in the senior "Open" show, will be subject to the stall fees of \$2.00 per space. In addition to the first three placed animals in each Junior Show class, which will be admitted without payment of any fees, other entries in the Junior Show will be permitted to compete in the senior "Open" competition upon payment of a fee of \$2.00 for each stall space the animal occupies.

IMPORTANT! The North Carolina State Fair will provide payment for personnel to feed, water and otherwise care for Junior Show animals, tied in the section set aside for Junior Show animals starting at 6:00 p.m. on Tuesday, October 11, 1966—and continuing until 4:00 p.m. on Saturday, October 15, the release time for all livestock. The care of the Junior Show animals will be under the 24-hour supervision of Mr. Grady Miller, County Agent in Wake County.

MILEAGE PAYMENTS FOR JUNIOR COUNTY HERDS

A County Herd will consist of at least five (5) females of one breed, representing a minimum of three (3) Junior exhibitors from one (1) county.

The State Fair Management will pay mileage compensation for **JUNIOR COUNTY HERDS** exhibited in the Junior Dairy Show as outlined below. Payment will be made for each Junior County Herd (limited to one herd per breed from a county) based on the distance (one way) between the county seat of the county involved and Raleigh. For computing mileage, the Official Highway Map issued by the State Highway and Public Works Commission will be used. Scale of payments is as follows:

MAKE YOUR ENTRIES EARLY! THE RIGHT IS RESERVED AND WILL BE USED TO REJECT ENTRIES OR PART OF ENTRIES RECEIVED AFTER ALL AVAILABLE SPACE IS TAKEN.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address.

Indicate on the form the total number of animals you will exhibit, and the total number of stall spaces (four feet wide) you will require, including those you will need for gear, feed and bedding. Payment of a fee of \$2.00 for each stall space requested must accompany your application.

ALL NURSE COWS HAVE BEEN RULED OUT and will not be allowed on fairgrounds.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Indicate if you plan to make entries in the group classes, but it is not necessary to name the animals which will make up your group entries until after the judging of the individual classes. Entries in the group classes must have previously been exhibited in the individual classes.

List, also, on the application form the name and registry number of each animal entered, its date of birth, its sex, the names and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the Superintendent.

All animals over six months of age must be registered with their respective breed association in the name of the bona fide owner, who must have owned the animal for at least 30 days prior to October 1, 1965 (except the Produce of Dam class in the Brahman show where the entry may be made up by one or more exhibitors). No exhibitor may win more than two premium moneys in any one class.

Health regulations of the Veterinary Division of the N. C. Department of Agriculture will be strictly enforced. BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION" before entering or competing in this department.

Every precaution should be taken on the part of exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All cars and trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for transportation of animals are considered "exposed premises" under the health regulations of the Veterinary Division.

First place winners in individual classes are eligible to compete for Championship awards. Other first place winners in individual classes, plus the second place winner in the individual class which produced the Champion, will be eligible to compete for Reserve Championship awards.

RULES AND REGULATIONS

Breeding Classes

Except in cases of conflict, in which event the following rules and regulations will prevail, the General Rules and Regulations of the Fair, and the General Rules and Regulations of the Livestock Division, will govern this department. **BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved and will be used to reject entries received after all available space is taken, even though this time occurs before date of closing of entries.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address, and county.

Indicate on the form the total number of animals you will exhibit, and the number of pens you will require. For entries in the senior classes, payment of a \$1.00 fee for each pen required must accompany your application. No fee is required for entries in the Junior Show.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the championship classes. Indicate if you plan to make entries in the group classes, but it is not necessary to name the animals which will make up your group entries at the time of making application; these classes will be made up after judging of the individual classes.

All breeding animals must be registered with their respective breed associations and certificates of registration must be presented at time of show, for checking as to earmarks.

All animals must be entered in the name of the bona fide owner who must have owned the animal 30 days prior to the closing entry date of October 1, 1966.

No exhibitor may make more than two entries in any one class.

Boars, one year old and older, shall have their tusks removed prior to showing, or they will be disqualified.

Health regulations of the Veterinary Division of the N. C. Department of Agriculture will be strictly enforced. BE SURE TO READ THESE UNDER "GENERAL RULES AND REGULATIONS OF THE LIVESTOCK DIVISION" before entering or competing in this department.

On freight shipments, to avoid switching charges and delay, bill swine as follows: "For Exhibit, North Carolina State Fair, Camp Polk, N. C., c/o Seaboard Air Line Railroad."

Mail entries, make checks for pen fees payable to, and address requests for additional application forms and further information, to: MANAGER, N. C. STATE FAIR, P. O. Box 5565, Raleigh, N. C.

Registration Certificate Resolution

All exhibitors and their helpers will be required to carry the registration certificate for each animal into the show arena. That he then would be able to rapidly and absolutely identify that hog as the one shown and officially eligible for the class by his registration certificate showing farrowing date and ear marks. Further, an animal that is exhibited and not properly identified be thrown out of the show. Unanimously approved by all secretaries of the members of the National Association of Swine Records, March 2, 1958.

JUDGING: Monday, October 10, following completion of the Junior Show, showing in the following order:

Class—Truck load lot of six (6) weighing 180-230 lbs.

Pen of three (3) weighing 180-230 lbs.

Individuals weighing 180-230 lbs.

Hoof-Carcass weighing 180-230 lbs.

There will not be competition between classes for Grand Championships.

The show is limited to purebred barrows only and is open only to exhibitors showing in the same breed in the Junior or Open Show.

An exhibitor may show one entry in the truck load lot, one entry in the pen of three, one entry in the live individual class, and one entry in the hoof-carcass class which is a maximum of eleven (11) hogs per individual or firm.

The hoof-carcass individual and the truck load lot of six (6) will be slaughtered and measured for carcass evaluation. The carcass placing will be on the basis of certification requirements, percent lean cuts, and carcass quality as determined by the Carcass Evaluation Committee. In the truck load classification, three (3) or more of the pigs must meet minimum certification standards in order to qualify for premium money.

In the individual live animal classification, the champion and reserve champion will be held on exhibit. All other barrows will be sold to a packer as determined by the Livestock Director. The barrows will be loaded for removal to the packing plant immediately following the conclusion of the barrow show. The hogs will be slaughtered Tuesday October 11, for evaluation in the plant cooling room by the Evaluation Judge and his committee.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments of the FAIR. *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address.

In filling out the form, write "Poultry" or the department letter "P" in the first column headed: "Dept." In the wide column headed "Description of Article" write the breed and variety of your bird exactly as they appear in the premium list. Next enter age and sex (Cock, Hen, Cockerel or Pullet). in Connection with The North Carolina State Fair**

SUPERINTENDENT:

E. W. McBRIDE, Route #4, Winston-Salem

JUDGE:

J. J. KEIFER, Louisville, Ky.

INFORMATION FOR PIGEON EXHIBITORS

COMPETITION: Limited to Residents of North Carolina.

ENTRIES CLOSE: September 24, 1966 at 6:00 p.m. or prior to this date if all coops are filled.

BIRDS MUST BE IN PLACE: Sunday, October 9, at 6:00 p.m.

JUDGING STARTS: Monday, October 10, at 9:00 a.m.

RELEASE OF EXHIBITS: Saturday, October 15, at 4:00 p.m., AND POSITIVELY NOT BEFORE THAT DATE AND TIME.

RULES AND REGULATIONS

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THE BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments of the Fair. *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office number, or city street address.

In filling out the form, write "Pigeons" or the department letter "Q" in the first column headed: "Department." In the next column headed: "Class No." write the number indicated in the premium list for the breed. In the third column, headed "Premium List No." write the number shown for the age and sex of the color you are exhibiting. **EXAMPLE:** If you were entering an old hen, Dark Bronze, Archangel pigeon, you would write the "Class No." as "1" and the "Premium List No." as "6." (SEE PREMIUM LIST.)

In the column headed: "Description of Article" write the breed and color of your bird exactly as they appear in the premium list. In the columns on the right enter the "Age and Sex" and "Leg Band No." of your bird. **BE SURE TO ENTER THIS EXACTLY AS THE BIRD WILL BE BANDED WHEN SHIPPED OR BROUGHT TO THE FAIR.** All birds must be banded. Old birds must be number banded. *All young birds must be 1966 seamless banded.* Brands of any reputable banding organization will be recognized.

IMPORTANT! List only one bird on each line of the application form. If additional forms are required they will be supplied upon request.

A coop fee of 25 cents for each bird to be exhibited **MUST ACCOMPANY YOUR APPLICATION FORM.** Space cannot be reserved until receipt of this coop fee, and remember: *The right is reserved to reject entries after all available cooping space is taken.*

All birds must be entered in the name of the bona fide owner, who must have owned the birds for at least 60 days prior to the closing date for entries (Sept. 24, 1966). No carload or professional string-man exhibitors will be allowed to compete, only those who are owners and breeders of the birds they exhibit, and maintain a breeding establishment sufficient to raise the birds so exhibited. Only birds shown on entry blank will be allowed in show room. No substitutions are permitted. This rule will be enforced.

Birds may be shipped or brought to the Fairgrounds. Shipments MUST BE PREPAID and should be addressed to PIGEON DEPARTMENT, N. C. STATE FAIR, RALEIGH, N. C. Each shipping coop should be plainly marked with: (1) The name and return address of the owner; (2) the breed, color and number of birds in each coop; (3) the leg band number of each bird in the coop (WHICH MUST CORRESPOND WITH THE NUMBERS LISTED ON THE ENTRY FORM).

Shipping instructions for return of birds to owner, or re-shipment, should be given on the entry form and/or in a separate letter to: Director, Pigeon Department, N. C. State Fair, P. O. Box 5565, Raleigh, N. C. Return shipments, or re-shipments will be made with transportation charges COLLECT.

All birds are entered at the risk of the owner, and the State Fair management will not be responsible for any loss or damage, but will exercise all possible vigilance in the care of exhibits. No one will be allowed to handle birds on display except the owners and officials of the show, without permission of the superintendent. The right is reserved to coop two or more birds of the same breed, and belonging to the same person, together if absolutely necessary.

All birds, of all breeds, will be judged by comparison. The right is reserved for judge to disqualify unworthy specimens or birds shown out of class. All birds must be shown in their natural condition. The decision of the judge will be final. Protest will be entertained only when addressed to the Division Director of the Division III by noon of the day following the award, and then only when accompanied by a protest fee of \$5.00. This fee will be forfeited unless protest is sustained by a Protest Committee appointed by the Division Superintendent.

Exhibitors and their agents will not be permitted to converse, or otherwise interfere with the judge while the awards are being made. Failure to conform to this, and other rules of the Department will exclude the exhibitor from the show, and all premiums previously won will be forfeited.

After the judging the management will endeavor to place on the coops any advertising material supplied by the exhibitor for his coop.

Mail entries, make checks for entry fees payable to, and address requests for additional entry application forms and further information, to: MANAGER, N. C. STATE FAIR, P. O. Box 5565, Raleigh, N. C.

The conduct of the show will be in accordance with the latest revised official show rules of the American Rabbit and Cavy Breeders Association. Interpretation of these, and other rules of this department will be invested in the Department Superintendent, the Judge and the Division Director. Their decisions will be final, except in the case of official protest as explained in the General Rules and Regulations of the State Fair.

This show is sanctioned and conducted in cooperation with the North Carolina Rabbit Breeders Association. However, membership in or registration of animals with the North Carolina or American associations is not required to enter or compete.

MAKE YOUR ENTRIES EARLY. The right is reserved to reject applications received after all available space is taken.

Be sure to fill in the application form completely, accurately and legibly. Give your rural route number, post office box number, or city street address.

Be sure to also give the other information requested on the application form.

Rabbits entered in the Fur and Wool Classes must also be entered in the individual classes.

Exhibits and Judging

The Fair management will use diligence to insure the safety of stock, and will have qualified attendants on duty day and night to feed, water, and care

for the animals, but under no circumstances will it be responsible for loss, injury, theft, or damage by fire, lightning, wind, or any other cause.

Stock arriving sick, or becoming ill at the show, will be removed and placed under the care of a veterinarian.

Shipments of stock must be prepaid. The Fair management will not be responsible for any shipping, drayage or other transportation charges to the Fair. Shipments should be addressed to: SUPERINTENDENT, RABBIT DEPARTMENT, N. C. STATE FAIR, RALEIGH, N. C. Return shipments will be made collect by the Fair, without drayage charge, if directed by the exhibitor on his application form. Shipping crates should be strongly constructed and have the owner's name and address plainly and permanently marked thereon. The Fair management will not be responsible for any loss or damage.

No person will be allowed to handle his or her exhibits, or any other exhibits, without permission of the department directors. Any exhibitor interfering with, attempting to influence, criticizing, or otherwise causing delay and confusion during the judging, will be barred from further competition and will forfeit all awards and premiums previously won. The judging will be done within an enclosed arena and only officials of the show and their designated helpers will be permitted therein.

Each animal must have a permanent ear mark, which must be listed on the entry form. No adhesive tape or pencil marks will be accepted.

Premiums will not be paid for "Best of Breed" or "Best Opposite Sex" unless there are at least six entered in breed or variety.

The right is reserved to substitute another judge in case the judge listed is unable to officiate. Each animal must be entered in the name of the bona fide owner, otherwise exhibitor forfeits all entry fees and premiums.

North Carolina State Fair Youth Center

General Information, Rates and Availabilities

The North Carolina State Fair Youth Center is a modern, four-building group consisting of two dormitories, a cafeteria-recreation hall, and the office-home of the superintendent. It is located in a wooded area of the North-west corner of the grounds above one of the lakes. It was built as a home-away-from-home for the junior exhibitors at the Fair. During Fairtime the Center is operated by a staff of experienced men and women under the supervision of staff members of the State College Extension Service.

Throughout the year, other than at Fairtime, the facilities are available to both youth and adult groups (representing schools, civic clubs, churches, etc.). The accommodations are excellent for groups wishing to stay one or more nights in the Capital City while visiting the many points of interest in "The Magic Research Triangle" of Raleigh, Durham and Chapel Hill. The rates are very reasonable. While the cafeteria is operated only at Fairtime, good meals are obtainable nearby, and those wishing to prepare certain meals often bring foods for breakfasts and "cookout" or picnic suppers, and their small electric appliances. The electrical outlets of the recreation hall may be used for this purpose. The delightful location of the Center makes it an ideal spot for outdoor meals, while the recreation hall provides game and play space in case of inclement weather.

At Fairtime, arrangements for lodging and meals are made by the Vo-Ag Teachers, 4-H Leaders, and Farm and Home Agents of each county. Reservations should be requested well in advance, and all applications (with deposit) mailed to RESERVATIONS MANAGER, The Youth Center, P. O. Box 5565, Raleigh, N. C. Fairtime Rates: See Reservation Request in Back of this Book.

Nineteenth Annual State Fair Folk Festival

DEPARTMENT "Z"

SUPERINTENDENT:

WRAY FERRELL, Fuquay-Varina

ENTRIES: All individual and group entries may be made by letter to Supt. Ferrell, care of State Fair, P. O. Box 5565, Raleigh, N. C. prior to Saturday, October 1, 1966.

In setting up the North Carolina State Fair Folk Festival in 1948 our sponsors had a two-fold purpose in mind:

First: To provide additional high type and wholesome entertainment for the Fair visitors, especially those of our own state and their children who have a material and cultural interest in the Fair proper, and

Second: To encourage and foster efforts among the people of the state to preserve and develop our rich heritage of native folk arts in the forms of balladry, folk song, Gospel singing, traditional folk games and dances, and string music: to the end that the benefits derived from seeing this material presented at its best may be extended to other interested recreational and social groups throughout the state who prize its value.

FOLK FESTIVAL

Daily Program

To carry out the purposes above set forth, three separate programs a day for each day of the Fair will be conducted. Programs at 11:00 a.m., 2:00 p.m., and 5:00 p.m., at which time each group or individual appearing on the program is to be judged. They are expected also to appear again the same day, and they may appear again during the Fair week if time will permit.

Cash Premiums

Premium money has been set aside for cash prizes to be awarded in the following classes:

	1st	2nd	3rd	4th
Z1—Gospel Quartet	\$50.00	\$45.00	\$35.00	\$20.00

Z7—Clog Dancer	\$20.00	15.00	10.00	
Z8—Novelty Number	\$20.00	15.00	10.00	

Judging

Judging in these contests will be based on scores obtained by each group, judged for each of their appearances, on the official State Fair Score Card, a copy of which is printed on the reverse side of the entry blank. These entry blanks may be obtained by writing Supt. Ferrell, and one of these entry forms must be on file not later than October 1, so that appearance times may be suitably scheduled and balanced programs presented daily throughout Fairweek. The effectiveness, the entertainment appeal, the folk value of the selection, the grace and manner of execution, skill, voice, harmony; all are to be considered by the judges, keeping these forms as close to the people as possible.

Festival Badges

All participants are urged to communicate with the Festival Director well in advance of the opening of the Fair in order that time can be arranged for their appearance and that Festival badges or passes may be issued them for the Fair week.

INFORMATION FOR EXHIBITORS

COMPETITION: Limited to Residents of North Carolina.

ENTRIES CLOSE: Wednesday, October 5, 1966, at 6:00 p.m.

EXHIBITS MUST BE AT FAIR Monday, October 10, at Noon.

RELEASE OF EXHIBITS: Saturday, October 15, at 5:00 p.m. **POSITIVELY NOT BEFORE THAT DATE AND TIME.**

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply *only* to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

The fair management reserves the right to reject any exhibit which does not reflect merit and which would not be a credit to both the exhibitor and the fair.

In placing of awards, quality and originality of work will be the leading factors. If entries are not of merit, even though they are the only entries in that particular class, judges retain the right to make no award in the class.

All handicrafts must be made by the exhibitor.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments of the Fair. Be sure to fill in the application form completely, accurately and legibly. Give your rural route number, post office box number, or city street address.

If entries are received sufficiently in advance of the Fair to permit mailing, Entry Tags will be forwarded to exhibitors at their home address. Otherwise, these Entry Tags should be picked up at the Entry Department immediately upon arrival on the Fairgrounds. An Entry Tag must be attached to each exhibit before it is presented to the Department for judging and display.

Exhibitors who are unable to personally bring their entries to the Fair may mail or ship them prepaid to: **DIRECTOR, HANDICRAFTS DEPARTMENT, N. C. STATE FAIR, P. O. Box 5565, Raleigh, N. C.** Exhibits should be carefully packed in solid wooden boxes or crates, or other substantial container. Extreme care will be exercised in unpacking and handling, but under no circumstances will the Fair management or any of the personnel of this department be responsible for damage or loss.

Each shipment should be carefully labeled, showing the name and address of the exhibitor, the Class and Premium Numbers under which entered, and the contents of the package. DO NOT SEND OR BRING MATERIAL TO THE FAIR UNTIL AFTER IT HAS BEEN PROPERLY ENTERED AS DESCRIBED ABOVE.

If directed, or in the case of exhibit material unclaimed by noon on Sunday, October 16, 1966, exhibits will be returned to exhibitors with transportation charges collect.

No exhibit may be entered in more than one class, or under more than one premium number. Exhibitors will be allowed not more than two entries under any one premium number.

No exhibit will be eligible which was produced prior to October 19, 1963. This rule will be enforced to prevent the display of materials or objects that have previously been exhibited at the State Fair.

For additional application forms, and further information, write: MANAGER, N. C. STATE FAIR, P. O. Box 5565, Raleigh, N. C.

HANDI-CRAFT DEMONSTRATIONS

The Village of Yesteryear was established in 1951 as an educational division of the State Fair, with the hope of renewing interest in our age-old arts and crafts. This department features craftsmen at work in the many varied crafts from wood carvings to weaving, and basketry to candle wicking.

This opportunity for demonstrating skills is open to all craftsmen of North Carolina and the Southern Highlands Area. Interested persons should contact Mary Cornwell, Home Economics Extension Agent, Waynesville, N. C., for all details.

Demonstrators may compete, individually or in groups for "Awards of Merit" for their educational exhibit and daily demonstrations. They will be judged on attractiveness, originality, educational value and interest of demonstration to the public.

The Thirteenth Annual North Carolina

APPRENTICE BRICKLAYING CONTEST

DEPARTMENT CC

SUPERINTENDENT

W. GUY JARRETT, Director, Division of Apprenticeship Training, N. C. Department of Labor, Raleigh, N. C.

COMPETITION:

Limited to registered apprentices training under a program approved by the State Apprenticeship Council, who have completed less than 4,000 hours of training.

ENTRIES:

Contestants must file official entry blanks with the Director (at above address) on or before September 30, 1966.

DATE:

Contest is held as a feature event of State Fair, on Monday, October 10, 1966, starting promptly at 10:00 A.M., in open fairway adjacent to Industrial Building.

JUDGING:

On completion of project a panel of five masonry experts will judge the competition according to official scorecard.

AWARDS:

U. S. Savings Bonds of \$200, \$100, and \$50, will be awarded First, Second and Third place contestants, donated by the Brick and Tile Service of N. C., Inc; TROPHIES will be awarded the Champion Bricklayer and his employer by Carolinas Branch, Associated General Contractors of America, Inc.

TOOLS donated by manufacturers and suppliers will be presented to all contestants.

Designed to promote interest among young Tar Heels in the skilled construction trades, the Apprentice Bricklaying Contest has become a popular annual event at the State Fair since the first such competition was held in 1954. About 30 apprentices usually match their skills in the contest, according to the records of the last few years.

The bricklaying contest dramatizes a program which the State has sponsored through the past two decades since the Apprenticeship law was enacted by the General Assembly in 1939. Offering young people of the State an opportunity to acquire skill and proficiency in any of the skilled trades, the Apprenticeship Program has turned out thousands of skilled workmen. At present, approximately 3,000 young people are receiving apprenticeship training on the job under direction of journeymen, supplemented by related classroom instruction. The apprentice "earns while he learns."

Contest sponsors include the following:

N. C. Department of Labor, Division of Apprenticeship Training.
Bureau of Apprenticeship and Training, U. S. Department of Labor.
Carolinas Branch, Associated General Contractors of America, Inc.
Brick and Tile Service of North Carolina, Inc.
Construction Apprentice Council in North Carolina.
North Carolina Conference of the B.M. and P.I.U.

North Carolina Chapter, American Institute of Architects.
 N. C. Department of Trade and Industrial Education.
 Carolina Lumber & Building Supply Association.

An additional honor accorded the top bricklaying contestants of recent years has been presentation of the bond and trophy awards by the Governor of North Carolina. Special presentation ceremonies have been held in the State Capitol in which the Governor honors the bricklaying champion and his employer.
